

## CERTIFICATE OF WARRANTY

B & B Used Auto Parts, Inc. warrants all parts for 90 days from date of purchase. Customer satisfaction is very important to us. Should a problem arise, the following conditions shall apply.

B and B Used Auto Parts makes every effort to keep our online information accurate and up to date. Because of possible delays in updates and factors that may affect warranties on a specific purchase, B and B Used Auto Parts warranty information published online is for our customers to familiarize themselves with our general policies only. The warranty information stated on your original purchase invoice is your actual warranty and supersedes any warranties published online. Please call our sales staff with any warranty questions that you may have and they will gladly walk you through our current policies.

1. Warranty is void without proof of purchase. **The original invoice is your warranty and must be presented at time of warranty claim.**
2. This warranty is non transferable.
3. Improper installation will void this warranty.
4. Heat tabs are installed on all engines and cylinder heads. Missing or melted heat tabs will void the warranty.
5. Oil seals and gaskets are not covered by this warranty.
6. A new timing belt or chain must be installed on all engines with over 50,000 miles. New oil and oil filter must be installed and changed every 3,000 miles thereafter. Used transmission must be serviced regularly as suggested by the manufacturer. Proof of service and mileage is required.
7. Vehicles that have B & B engines or transmissions installed in them must have proper capacity cooling systems and these must be in good working order at time of installation.
8. Proper oil and cooling fluid levels must be maintained at all times.
9. Our engines are left as complete as possible for the customer's convenience. It is the responsibility of the buyer/installer to inspect and replace as necessary the following accessory items as they are not covered under warranty: all cooling system components, all fuel system components, all electrical components, all emission components, all exhaust components, and any pulleys, brackets, or mounts.
10. Labor charges will not be paid unless buyer has purchased out extended warranty. Labor limits will appear on the front of this invoice.
11. B & B Used Auto Parts, Inc. does not assume responsibility for towing charges, loss of use, cost of lodging, car rental, or any other cost arising from failure of a part.
12. B & B Used Auto Parts, Inc. will not assume responsibility for damages

- done to other parts of a vehicle resulting from a failure of warranted part.
13. This warranty does not cover parts to be used in connection with racing or high performance vehicles.
  14. Any exception to this warranty will appear on the front of this invoice.
